Subject: Replacement Page Associated with Reclamation Contract, Kimmerle Mining, Green River #9 Project, S/015/0102, Emery County, Utah

Dear Mr. Kimmerle:

A few months ago, Mike Bradley of the minerals program staff of the Division of Oil, Gas and Mining visited you, and you signed a reclamation contract for the Green River #9 project. Mr. Bradley subsequently signed a "credible witness certificate," but it has come to the Division's attention that he should have signed an affidavit instead. In this affidavit, Mr. Bradley verifies that you appeared before him and signed the reclamation contract.

Enclosed with this letter is a copy of the affidavit. The Division asks that you replace the copy of the credible witness certificate with the affidavit as part of your copy of the reclamation contract. **No other action is needed.**

Thank you for your cooperation. Please contact Penny Berry at 801-538-5291 with questions about this letter.

Sincerely,

Paul Baker
Minerals Program Manager
